

Pro-MOTION Manufacturing & Engineering, LLC

Cost Saving Solutions

Linear Motion

Acme Screws

Rolled & Ground

Ball Screws

Rolled & Ground

Ball Splines

CAM Followers / Track Rollers

Friction Power-off Brakes

Linear Actuators

Industrial & Precision

Screw & Belt Driven

Linear Bearings

Recirculating Ball / Cross Roller

Positioning Systems / Tables

Ball Screw Driven & Belt Driven

Single & Multi-Axis

Motorized & Manual

Precision Gearheads

Spur & True Planetary

Precision Linear Profile Guides

Precision Rotary Tables

Precision Round Rail / Ground Shafting

1060/300 Series Stainless/440c Stainless/Chrome

Cut-to length / Full lengths to 6 meters

Screw Jacks

Ball Screw & Worm Gear Acme

Slide Bushings

Bronze / Delrin

Slide Screws / Shafts

Wrap Spring Clutches

Motion Control

Rotary Step Motors

NEMA 17 / 23/ 34

Step Motor Drives

Step Motor Indexers

Packaged & PC based

Linear Motors

Servo & Stepper

Iron Core / Coreless / Induction / Planar

Single & Dual Axis

Encoders

Rotary & Linear

Limited Angle Torque Motors

Voice Coil Actuators

Special Products

Bellows / Waycovers

Composite & Metal

Cylindrical Roller Bearings

Machine Tool & Special Purpose

Gonio Ways

Precise Cross Roller Angular Positioning

Integrated Machine Tool Measuring System

Integrated System Solutions

Mechanical & Electro-Mechanical

Modular Aluminum Framing

Pins

Retaining Rings

Springs

1308 E. Pomona Street, Santa Ana, CA 92705

(714) 541-1420 / Fax: (714) 541-1419
